Join the Club and escape the hustle and bustle and breathe in the fresh air as we travel to the tranquility of Big Bear Lake, the charming mountain town nestled in the beautiful pine forests atop the San Bernardino Mountains (elevation 6,700 feet).

All aboard the paddlewheel boat, Big Bear Queen this morning for a narrated cruise on Big Bear Lake. Your boat captain is a Big Bear native and life-long resident and provides extensive narration about Big Bear Valley's history and folklore, including the solar observatory, Garstin Island, celebrity homes, the story of the Four Dams and more.

In the afternoon, we'll enjoy time at leisure in the Bavarian-style Big Bear Village to browse the shops and enjoy lunch on your own at a variety of eateries. *This tour involves driving on mountain roads.*
