

— Anacapa Island Cruise —

Saturday, September 30, 2017

Discover the natural environment of Channel Islands National Park, without going ashore! As we cross the channel to Anacapa Island, the journey may be highlighted by sightings of dolphins, sea lions and seals. Just 12 miles from the California coast, Anacapa Island is a small volcanic island and the closest of the Channel Islands. Our three-hour narrated wildlife cruise travels along Anacapa's rugged and scenic north shore (this is a non-landing cruise). Prior to the cruise,

With Channel Islands National Park Visitor Center & Ventura Harbor Village

enjoy time at leisure to browse the shops and enjoy an early lunch on your own in the scenic Ventura Harbor Village. We'll also visit the Channel Islands National Park Visitor Center. We'll take the scenic route home along Pacific Coast Highway. Suggested: rubber-soled walking shoes and a sweater or jacket as it can be cool on the water. The boat has shaded and unshaded areas, and a restroom.
