# Wings & Windmills

## Palm Springs Air Museum & Windfarm Tour Saturday, February 17, 2018

**O**n this tribute to Huell Howser – his uncanny ability to uncover amazing hidden secrets in the unlikeliest of places – we’ll see video clips of his “California’s Gold and Visiting” and walk in his footsteps as we visit the sights. First, a docent-guided tour of the Palm Springs Air Museum, dedicated to the preservation and interpretation of our air power in WW II. Tour one of the world’s largest collections of flying WW II warplanes, rare artifacts, and memorabilia. Also see the museum’s newest hangar dedicated to the Korean and Vietnam Wars. After time at leisure in downtown Palm Springs to enjoy lunch your own, a step-on guide will give us an informative driving tour of the Windmill farm – stupendous, giant windmills with blades half the length of a football field spinning around. An unique behind-the-scenes tour gets us upclose and personal to these beautiful windmills with incredible photo opportunities! There’s also a stop at Hadley’s, famous for their breads, nuts and date shakes. To honor Huell, we’ve included within the tour fee a donation to the California’s Gold Scholarship Fund at Chapman University.
