

PIE, POTTERY & POMONA

Buffet Lunch Included

Friday, March 24, 2017

Step back in time on a driving tour led by a step-on guide from the Pomona Historical Society. One of the oldest cities in Southern California, Pomona is celebrating 100 years of heritage preservation. A guided tour of the Phillips Mansion, an excellent example of a Second Empire-style historic house. Owned in the 1890's by the "wealthiest man in L.A. County," has recently been restored. Enjoy a docent-guided tour of the American Museum of Ceramic Art. While various styles and traditions of ceramic art are on view, a highlight is the Mettlach Collection (pottery founded in 1836).

This collection is the largest of its kind in the world! Enjoy an included buffet lunch at the Cal Poly Pomona campus' Kellogg West restaurant and visit the campus Farm Store to purchase fresh produce and local products. An included sweet treat from a local favorite pie shop tops off our day.
