

Holistic Elder Abuse Response Team

A Program of WISE & Healthy Aging

Elder abuse prevention and intervention through field-based case management, counseling, and advocacy.

Services Provided:

- Case management
- Crisis intervention
- Individual and group counseling
- Criminal and civil legal advocacy
- Information and referral
- Education and outreach
- Collaboration with community partners

Heart staff are co-located at the Long Beach Police Department and the Lakewood Long-Term Care Ombudsman Office. HEART primarily serves clients in the Long Beach region. Caseload permitting, the program will accept referrals from the Los Angeles County Elder Abuse Forensic Center, the Adult Protective Services sheltering program, and domestic violence shelters.
